Ouran High School Host Club (DS) is a dating simulation featuring host club activities, getting dates with girls, and eventually their sexual activity. Naoki Yomizuki is a weird kind of guy that has an uncanny ability to become friends with everybody in school. Naoki's day-to-day routine consists of mainly daydreaming on the way to school, and then seeing if he can somehow find a way to make a girl notice him. When a fight takes place between a new girl named Haruhi Suzumiya and a girl named Ootori's girlfriend Sumi who is played by the same actress. A guy then appears to give Naoki advice on how to get girls. Naoki brings his talent to the Yuuji Sakuragi a friend of his who is always getting a lot of girls since the students know he's Naoki. The problem is that every time Naoki goes on a date he finds it too easy to impress girls. So when a mysterious girl named Kyon who is part of a photography club appears and he invites her on a date, Naoki suddenly finds himself in the middle of what is going to be a long and complicated chain of events. The original content in the visual novel was written by Touko Machida, and the illustrations were done by Takashi Ishii and Yuyuko Ebihara. The original soundtrack was composed by Kotaro Nakagawa, and the song lyrics were written by Kikuko Inoue. The character designs were done by Yoshimi Tamura. The game was first released for Windows in Japan in February, 2007. An English version was released by Idea Factory on January 31, 2008 in Japan and was later released in North America, Europe, and Australia. In the visual novel there are several side-quests that all take place at the same time. While all of them take place at the same time, none of them have any effect on the main story. Some of the side-quests are actually optional 3da54e8ca3
